# NOYO HARBOR DISTRICT AGENDA ITEM SUMMARY

**AGENDA ITEM #: 1**  
**MEETING DATE: 4/23/2024**

## TITLE

Noyo Center for Marine Science

## RECOMMENDED ACTION

## ANALYSIS

Don Perkins and Shelia Semans from the Noyo Center for Marine Science would like input from the Commissioners of the Noyo Harbor District to inform their Blue Economy Feasibility Plan.

They have provided the following questions that they would like to discuss:

- In what ways can the Noyo Center for Marine Science support the Harbor Commission and Harbormaster with your resilience planning and efforts to support the fishing community over the next five years?
- What opportunities do you think Noyo Harbor has to support the evolution of region's 21<sup>st</sup> Century marine economy (e.g., fishermen... processors... other blue economy opportunities)?
- How do you think about the City's role vs. the Harbor Commission's role vs. the Noyo Center's role in supporting marine economic development efforts?
